dedicated production lines

FSSAI
licensed facility

WHO WE ARE

We manufacture. You build the brand.

Your brand. Our expertise. Bakery manufacturing at scale.

At V M Bakery Products, we empower food brands, dairy companies, retailers and QSR chains to expand their bakery portfolios without the complexities of owning and operating a manufacturing facility.

With nearly two decades of industry experience, dedicated production lines and a diverse product portfolio, we provide end-to-end private-label, white-label and contract manufacturing solutions tailored to your brand's requirements.

WHY PARTNER WITH US

- **Zero manufacturing capex.** Use our infrastructure, equipment and expertise.
- **One partner, multiple categories.** Breads, buns, rusks, cookies, cupcakes and cakes under one roof.
- **Your product, your specifications.** Recipes, flavours, formats and pack sizes built around your brand.
- **Experience you can rely on.** Established in 2007, serving retail, institutional and business customers.
- **Strategically located.** Vijayawada, positioned to serve brands across South India.

HOW WE PARTNER

Manufacturing solutions built around your business

YOUR BRAND. OUR EXPERTISE.

Private & White Label

We manufacture and package a diverse range of bakery products under your brand, tailored to your specifications, packaging and target markets.

YOUR VISION. OUR CAPABILITIES.

Contract Manufacturing & NPD

From an established formulation or a new product concept: trials, process adaptation and commercial-scale manufacturing to your agreed specification.

SERVING EVERYDAY NEEDS.

Dairy & Institutional

Bakery for dairy brands, cooperatives, schools, colleges, hostels, hospitals and canteens, with consistent quality and dependable supply.

BUILT FOR YOUR OPERATIONS.

HoReCa, QSR & Food Service

Breads, burger buns, pav and rolls made to your specification and delivered to your central kitchen on schedule.
